Gumenick Properties named Commonwealth Catholic Charities the 2005 recipient of the company's **Alliance Award** and presented staff with a \$10,000 check at the company's annual luncheon last spring in Richmond.

Gumeninck Properties purchased the Keswick Garden Apartments with plans to tear down the structure and rebuild the site with condominiums. Gumenick retained the services of CCC social workers to aid in the resettlement of tenants in need of assistance in relocation. **Kitty Hardt**, CCC director of program operations; **Carla Turnage**, CCC manager of Homeward Central Intake; and **Rhonie Butler**, CCC clinical supervisor produced a smooth move for nearly 46 tenants with special needs.
