

## **CCC Homeless Point of Entry is Moving**

*Homeless Point of Entry (formerly Central Intake) will operate one location*

CCC's Homeless Point of Entry (HPE) program will no longer serve homeless families at Saint Paul's Baptist Church South as of **August 2, 2010**. Consolidating staff and resources to one location will enable Homeless Point of Entry to better serve the growing number of individuals and families who need help.

For years, Saint Paul's has faithfully supported Commonwealth Catholic Charities' various programs and services, and allowed HPE to co-locate there in 2007. CCC appreciates Saint Paul's Baptist Church for their generous partnership and for their continued efforts to improve and support our community.

Please note that as of August 2, 2010, Commonwealth Catholic Charities Homeless Point of Entry Program will serve homeless families and single adults in one location at **The Conrad Center, 1400 Oliver Hill Way**.
