

## Desperate need for boys clothes and school supplies!

Back to school should be a happy experience for all children and families. But many Richmond parents are unable to afford clothing and school supplies. We know that many of you would be delighted to share your child's outgrown and gently used clothes with two young boys who truly need them!

CCC has a client with boys ages 7 and 9 who need clothing for school. Both children wear the following sizes: shirts: size 14, pants: size 8, shoes: size 2. Jeans, shirts, jackets, sweaters and coats would be greatly appreciated by mom and her kids. Notebooks, paper, pencils, erasers and other school supplies are also needed. Please help make the first day of school a fun experience for two deserving boys! Donations may be brought to our Richmond office, 1512 Willow Lawn Drive (across from the Shops at Willow Lawn).
